HEAVY *Timber* CONSTRUCTION

BRINGING IN NATURAL LIGHT AND
THE NATURAL WORLD AT WALDO'S

BENEFITS OF HEAVY TIMBER

SEQUESTERS CARBON

Locks carbon into the structure creating a net zero or net negative carbon impact

ANTI-VIRAL

Wood is proven to be a more hygienic surface than manufactured surfaces. Bacteria and germs don't live on wood as long.

TIMBER CONSTRUCTION

Quicker process, fewer materials and deliveries, aids in carbon footprint, quieter construction, less waste

SUSTAINABLE

The timber is a renewable source and comes from a certified sustainable forest in British Columbia

HEALTHY & WARM AESTHETIC

Wood is shown to be stress reducing and relaxing for occupants. Heavy timber also provides a natural and warm aesthetic that is hard to achieve with traditional concrete and steel.

WALDO'S CARBON SUMMARY

Volume of wood products used:
530 cubic meters (18,860 cubic feet)

U.S. and Canadian forests grow this much wood in:
2 minutes

Carbon stored in the wood:
410 metric tons of carbon dioxide

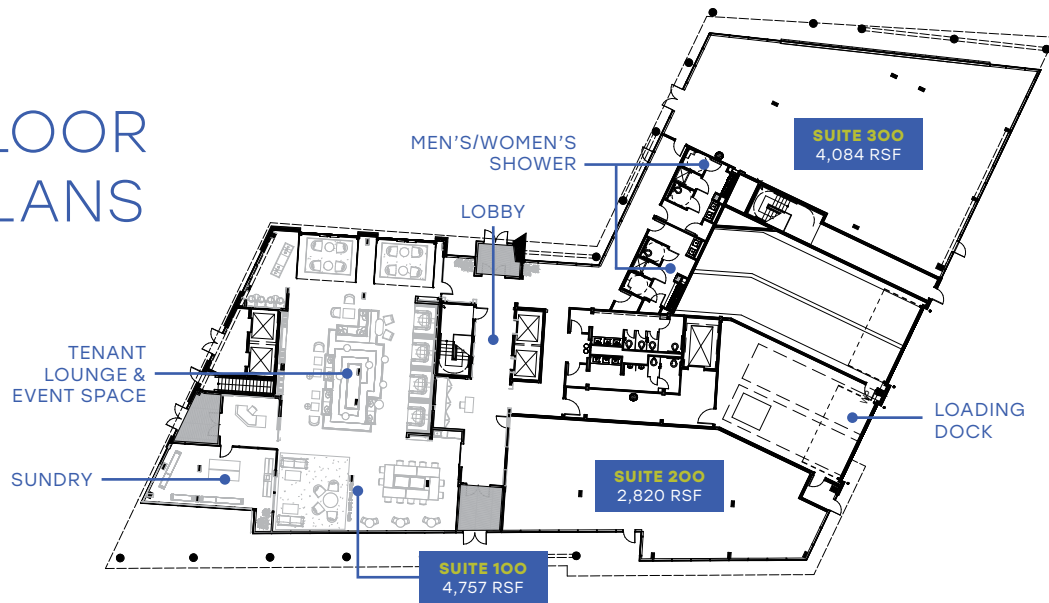

Avoided greenhouse gas emissions:
870 metric tons of carbon dioxide

Equivalent to:

243 cars off the road for a year

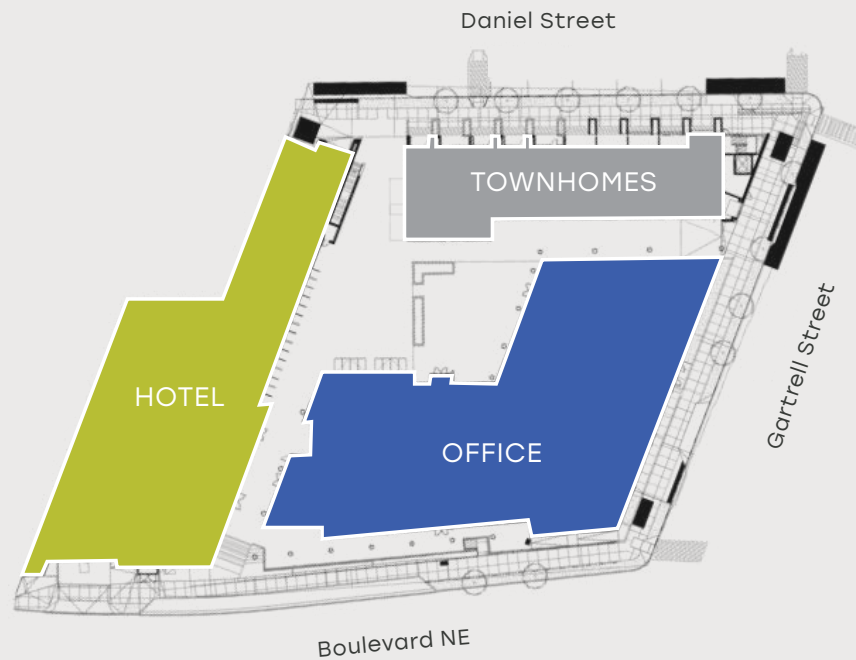

FLOOR PLANS

MOTTO HOTEL

Office INTERIORS

Unlike other typical contemporary office building systems, Waldo's mass timber office **reduces carbon impact** and provides **health benefits** for its occupants.

Mass timber is an engineered wood product involving the lamination and compression of multiple layers to create solid wood columns, beams, and panels.

FEDERAL AND STATE *Opportunity* ZONE

FEDERAL OPPORTUNITY ZONE INVESTMENT

By investing in a Qualified Opportunity Zone Business in an Opportunity Zone, investors are able to defer Capital Gains until 2026, receive a modest step up in their tax basis (up to 15%) on their original gain, and if the investment made in the Opportunity Zone is held for at least 10 years, any associated gains with said Investment are exempt from taxation.

STATE OPPORTUNITY ZONE BENEFITS

Waldo's qualifies for the State of Georgia's maximum job tax credit of \$3,500 per new job created per year, for up to 5 years.

Tenants, whether existing or new, receive the state income payroll tax credit for every new job created (minimum of two jobs created and must be new to the State of GA, not just to the OZ).

Source: Georgia Department of Community Affairs

EMPLOYEE INCENTIVE – STATE OPPORTUNITY ZONE BENEFITS

Job Tax Credits can be used against 100% of Georgia income tax liability and withholding tax.

Office and retail tenants will be incentivized to choose the Waldo's site as the tax credit has the ability to significantly reduce their net effective rent.

EXAMPLE

If a 10,000 SF office tenant creates 40 new jobs the will receive a tax credit of \$140,000

- Rent – \$40 per square foot or \$400,000
- Effective Rent Reduction: \$14 per square foot per year for up to 5 years.
